Forward Looking Statements

The information contained herein includes forward-looking statements. These statements relate to future events or to the Company's future financial performance, and involve known and unknown risks, uncertainties, and other factors that may cause actual results to be materially different from any future results, levels of activity, or performance, or achievements expressed or implied by these forward-looking statements. You should not place undue reliance on forward-looking statements since they involve known and unknown risks, uncertainties, and other factors which are, in some cases, beyond the Company's control and which could, and likely will, materially affect actual results, levels of activity, performance, or achievements. Any forward-looking statement reflects the Company's current views with respect to future events and is subject to these and other risks, uncertainties, and assumptions relating to its operations, results of operations, growth strategy, and liquidity. The Company assumes no obligation to update or revise these forward-looking statements for any reason publicly, or to update the reasons actual results could differ materially from those anticipated in these forward-looking statements, even if new information becomes available in the future.
