Forward-Looking Statements

The information contained herein includes forward-looking statements. These statements relate to future events or to the Company's future financial performance and involve known and unknown risks, uncertainties, and other factors that may cause actual results to differ materially from those expressed or implied by such statements. You should not place undue reliance on forward-looking statements, as they involve risks and uncertainties that are, in some cases, beyond the Company's control and could materially affect actual results. Any forward-looking statement reflects the Company's current views with respect to future events and is subject to these and other risks, uncertainties, and assumptions relating to its operations, results of operations, growth strategy, and liquidity. The Company assumes no obligation to update or revise these forward-looking statements, except as required by law.
