Netcapital Inc. Portfolio Company Zelgor Successfully Launches Stability Test of First Mobile Game

Thousands download Noobs in Space in opening week of early access campaign

BOSTON, MA - June 24, 2021 - [Netcapital Inc.](#) (OTCQX: NCPL) announced that portfolio company [Zelgor Games](#) has successfully launched a stability test of their first mobile game, Noobs in Space. The game is available for download on Google Play's Early Access Store in India through July and reached thousands of downloads within its first weekend on the platform.

"We're thrilled at the response we've seen so far. We hit our initial download goal in under 48 hours, which we believe speaks to how well the Noobs resonate with new audiences," said John Fanning Jr., Founder and CEO of Zelgor Games. "Through this launch, Zelgor aims to test how the game functions on various devices, identify bugs, and test feature functionality and likability. The Stability Test Launch is also a key step towards Zelgor's official launch of Noobs in Space."

Backed by famous venture capitalist Tim Draper, co-creator of Guitar Hero, Kai Huang, and the founders of napster, the Zelgor team brings real-world experience building successful games like The Sims, Bioshock Infinite, Dungeons & Dragons Online, and more. [Zelgor](#) is currently open for investment on [Netcapital](#).

"We congratulate the Zelgor team on a successful Stability Test Launch and their continued growth. We're looking forward to the next phase of their development, a soft launch of Noobs in Space," shared Cecilia Lenk, Netcapital Inc. CEO.
